## PLANS FOR NEW INDUSTRIAL PARK

A new Industrial Park is in the making, in the south part of Wilmington.

Plans for the new park were filed Tuesday, at the office of the Wilmington Planning Board, by Les Stevens Jr and Henry Perkins, of The Stevens Trust, of Lexington. Mr. Stevens is the son of the industrialist who brought Webtex to Wilmington some years ago, and the plans for the new Industrial Park include the land on which that building stands.

The Webtex firm has since been sold, and moved from Wilmington,

but Mr Stevens told the Planning Board that a new firm will be moving into the building on Feb. 1st.

The new industrial park will front on both Woburn Street and on Eames Street. Many but not all of the homes on Woburn Street and Eames Street have been sold to the Stevens Trust, and will be torn down, including the McKlitruck home, across from Raffi & Swanson.

Stevens filed plans for a new street, to be called McKlitruck Road, which will be 60 feet wide and 1110 feet long, and will start

## Just Laugh It Off

No one in Wilmington should become incensed or upset at the crudities of Dana Chandler, who was the guest speaker at the Wilmington Human Rights Committee, Monday night.

Mr Chandler abused his privileges, and did his hosts no good. The best thing is to forget him.

He probably was laughing at the white girls 'the chicks' who sat and listened to his crude remarks. Their parents had let them attend.

The parents of the black children of Wilmington were more prudent, and kept their children home. Furthermore they stayed home themselves. They probably knew what to expect from Mr Chandler.

There were many misstatements of fact. This column does not propose to refute his statements step by step, but it can point out a couple.

Mr Chandler spoke of the death of 'Drew', as he called him, and said that he had died because he could not get blood.

Dr. Charles R Drew, a Negro, and the discoverer of the Red Cross technique of plasma blood banks, died near Burlington, North Carolina on April 1, 1950. He was the driver of an automobile in which three other medical persons were passengers, and he fell asleep at the wheel. His authoritative biography says nothing about the lack of blood causing his death. It says he died of a crushed chest.

Dr. Drew had his difficulties in life. He does not need the help of Mr Chandler, to cause more difficulties after his death.

Chandler goaded his listeners because none of them would own up to knowing about the former Nigerian Empire. Undoubtedly there were those who knew - but who wants to get into an argument with a man with such a disgusting attitude?

The Nigerian Empire did exist - and it had the same difficulties that the Republic of Nigeria has today - fratricidal warfare between the tribes of Negroes. There are many people of good will who have been hoping for a peaceful settlement of the Nigerian troubles - and they are not all black skinned.

Chandler could have told of the remarkable civilizations that the early Portuguese explorers found, in Africa, instead of making his slurring remarks. He might have accomplished some good in doing this.

An authoritative discourse on the bronze - age civilizations which existed in what is now Angola would be an excellent subject for Mr. Chandler. Or he could tell of the kingdom of the Zulus, which had advanced into the steel age, and which had, among other things, invented the assegai - the Zulu spear. Other than the Roman short sword, the assegai has the dubious distinction of being the individual weapon which has killed more people than any other. One Zulu king, Tsaka, killed over 20,000 people with his own hands - and all those people had black skins.

A person, white or black, may dislike the story of the British Empire - (after all, it was white). But when the British went into Zululand, in the mid nineteenth century, they were instrumental in the savings of thousands of lives - of black men and women. Mr. Chandler, of course, could not be expected to admit to such a statement.

Mr Chandler professed a fondness of Arab culture.

The only places in the world where black slavery is practised today are some of the Arab countries of Africa and the Near East.

It was the Arab traders, more than the black traders or the white traders, who practised the most unspeakable horrors upon the persons of the black slaves of Africa, during the days of the 'great' slave trade. The black and the white slave traders were bad enough - but the Arabs were an abomination.

So the best thing to do is to put Mr Chandler down as a bad joke. Perhaps he really knows the facts. Perhaps he came to Wilmington to laugh at the people he was going to mislead. So laugh with him, and call it a joke.

## The Town Liquor Store

The Town of Reading, on Dec. 9th voted in Special Town Meeting to recommend to the Board of Selectmen that the town have its own Liquor Store. Reading voted wet, in the November election, by about 400 votes, and for the first time in 100 years the sale of liquor in that town has become legal.

This brings to mind the fact that the Town of Wilmington once had its own official Liquor Store, run for the town - and also had an equally unofficial liquor store, about a mile down the street, just after the Civil War.

The store was in what is now the Nichols Funeral Home, on the corner of Wildwood Street and Middlesex Avenue, and was established July 1, 1863. It apparently went out of business on February 1, 1868, at which time the last statement of account of the Town Liquor Store appears in the records of the town.

Samuel B Nichols was a teetotaler, and he had a home which was just about central for the whole town, which was a good reason for naming him the Liquor Agent.

For the first eight months of his career as an official liquor salesman he was paid the princely sum of \$16.67, which makes it appear that he was getting \$25 a year. Later his pay was raised, so that at the end of his career, a few years

later, he was being paid at the rate of \$50 a year.

It is not clear whether or not the town made a profit in its five years of official liquor purveying. It sold for a total of \$681.66 in that time, but there were other expenses than the official salary. There was a government license (presumably a state license) which cost \$25 a year, and every year there had to be an official analysis of the liquor sold, which cost about \$20. It would seem that the town wanted to guarantee the quality of the liquor sold. Maybe that, too, was a state law.

In 1868 the legislature passed a law, allowing towns to decide whether or not they wanted to have prohibition, and while it is not clear that Wilmington so voted, the liquor store was closed on Feb. 1, 1868.

The books of the liquor store showed that the town owned \$10 worth of alcoholic beverages. They do not show what happened to that liquor. It is certain that Sam Nichols did not drink it - but some one did.

After 1868 the only place where liquor could be bought was at the house of Billy Eames, who lived on Middlesex Avenue, at the corner of what is now Clark Street, but was then Jaquith Lane.

Mr. Eames, folklore has it, did a thriving business in an otherwise dry town.

## Selectmen's Meeting

At 7:45 on Monday Night the Board of Selectmen held a hearing for New England Tel & Tel on relocation of poles on Ellwood Road. Almost all abutters of the area were present. They were present only to hear what was to happen about the poles they had in the middle of the street. They will be moved, assured Mr Casey, the representative of NET&T, as soon as the Electric Company finished their work.

Mr Riley of Cedarcrest Road appeared appealing for an abatement on one of the betterment frontages, after having given six months notice to the Town, which Mr Morris affirmed.

An application for licenses for Ship & Go Sub Shop on Jefferson Avenue in North Wilmington and Jims 124 Restaurant on Lowell Street were approved as well as one for Muffin House at 285 Main Street, subject to the Board of Health approval.

Names were drawn for Jury duty. For Criminal Court in Cambridge on Jan 6, 1969 Marjorie Bousfield of Aldrich Road, for Civil Court in Cambridge Charles Bousfield of 49 Lawrence St and for Civil Court in Lowell, Ruth E Hale of 21 Glen Road.

Chairman George Boylen read a communication from the MBTA with regard to the Town's withdrawal, quoting an opinion of Mr Edward F. McLaughlin Jr, the city for the MBTA, stating that his opinion was that the Town or city could withdraw from local service, but they would continue to be assessed.

The Town Manager announced the beginning of records on mileage by the Town vehicles belonging to the Public Works Department the Highway, Tree, School, and Driver Education, and said that the other departments such as the police and fire departments would be going on record as of the first of the year.

The TM also reported that the automobiles had been investigated on Andover Street and they were not salvage. There are several unregistered vehicles there and the Police Department will take action as well as on a storage problem in a residential area at 57 Glen Road and another one at 57 Lawrence Street of heavy duty equipment in violation under the zoning bylaws.

On December 3, the State payment was made to reimburse the Town for the Glen Rd School in 1965, '66, '67, '68 in the amount of \$19,850.00. All monies now in that have been due on schools for the year 1968, including the \$19,000 totalling \$388,525.48.

Mr Morris also announced that a Traffic Survey had been conducted on Middlesex Avenue on Dec 2, 1968 between the hours of 7:00 am and 9 am, totalling 186 cars with an average speed of 27.10 in the posted 25 MPH area the highest speed clocked being 40 MPH.

James Micell mentioned the bad engine at the fire station, and Mr Morris assured him that something was being done by the Town. The Board went into executive session a little after 8 o'clock.

## INDUSTRIAL PARK (From Ft. PG.)

on Eames Street, at a point between the present McKimrickhome and the Boston & Maine Railroad, and go southward, approximately parallel to the railroad.

The plans are subject to a public hearing, which will be announced by the Planning Board at a later date.

Several of the residential subdivisions, now active or nearly so, were checked over by the board on Tuesday.

In Benson Park, the board was told by the Town Engineer, the new water main is now in place, and work is progressing on drainage, in 8 degree weather.

The board took no immediate action on Del Drive, Marcia Road, or the Lopez development off Concord Street, but did discuss each of them. They noted that there had been no reply from the developer of Alderwood Estates.

The board learned that there is a culvert under West Street, near the eastern end of Alderwood Estates. Some weeks ago it was believed that there was no such drain. Town Engineer Arthur Harding reported that he had found the plans of such a drain, in 1956 County records.

The board decided to submit an

article to the Selectmen for the 1969 annual Town Meeting asking that the town purchase two lots of land from Hill Babine, near Parker Street, lots number 128 and 130. They are practically surrounded by town owned land, and with the town land could make a playground of about three acres, which would be both near Parker Street and the new Allen Park. The Jackson Brothers have just constructed a road past the area.

Mrs Madelyn McKie, chairlady, said that the plan for the playground was a part of the Capital Improvement Program of the Planning Board.

A letter was received from the Board of Directors of the Mass. Federation of Planning Boards, saying that the proposed legislation for '50 foot lots' was under study, and 'was not dead'.

The board will hold its final meeting of the year next Tuesday, beginning at 7:30 pm with a discussion with Professor Elliot. The chairman of the Board of Selectmen has said that he will be present to discuss plans for Olson Road, the proposed street from Cain's Garage to near the Fire Station, and then across Middlesex Avenue and Clark Street to some point near Bridge Lane and Main Street.

OH BOY! WHO ARE THEY? WHAT IS IT? Two Wilmington High School students are very busy, and totally oblivious to the camera.

## Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, and after five, 658-4865. If I'm not there, I'll call you.

No Kiddies. It's tough to disappoint you, but there are no plans for a great big monster Christmas Party, for all the kids of Wilmington.

Somebody has been spreading the rumor that the Wilmington Post of the American Legion, together with the Chelmsford Post, are going to have a party for ALL the kids in Wilmington.

It's a wonderful story - but there is no truth in it.

There'll be a Christmas party or two in the Legion Hall - the usual ones - but Not That Kind! Too bad.

Well, the time is drawing near and you have done a wonderful job for Nancy Sullivan and the Operation Wrentham. Thanks to you all...and the yarn for Nellie has been coming in quite well, with thanks to Lil Woodside, Isabelle Parent, Esther Nichols, and Wavie Drew, in particular this week on that score...Those chicks in Somerville that picked up the stuff for Operation Wrentham has four or five boxes last week when I went over there...Incidentally, the eldest young lady...sporting 91 years...and making out her own Christmas Card list again this year...Is I believe the oldest living retired telephone operator She was the first phone operator in Revere, Mass...What about that one!

Things are coming in this week

so thick and fast that I think this will really have to be hit-or-miss order today...The boys Christmas Cards are on the way...The Clan helped to address them the other night and already I have heard from Bill Iovanna...Thanks for the lovely sentiment Bill, Will try to live up to your standards...Don't know if I'll make it though, but it won't be from lack of trying! Will be looking to hear from the rest of you...The Board is ready all trimmed with fake holly and stuff!

The Acacia Chapter of Eastern Star is holding a Turkey Whist at the Masonic Temple - whoops they did - last night - hope it was a success...Guess the notice was figured wrong, although I believe I mentioned it last week aussil!

Robin Sullivan is a Junior at WHS and she was awarded Champion in Youth Activity Reling; Champion YA Barrel Racing; and Reserve Champion in YA Trail.

Robin has been showing her Registered Quarter Horse, Torchgal Cody at the New England Quarter Horse Association and was awarded these at the Banquet at the Framingham Motor Inn on Dec 7th.

Did you know that our own Jean Camber had retired from her job as a Policewoman and also the Girl Scout Leader to become a nurse? Well, she has and she'll be terribly missed. Jean was awarded a Certificate of Merit at the 5th Anniversary of the Merrimack River Girl Scout Council on December 3rd and also received a 15 year pin. She is well known as a Day Camp Leader and instructor in tennis and First Aid. And I think one of the cutest things I've heard was when dis-

cussing with the Clan, who cross the street for school at her crossing, the smallest one stated, 'Mrs Camber really must love kids! You know she keeps a stack of mittens on the back seat of her car and if you don't have any, she says to wear a pair and bring them back later...' Some gal there, Jean! We'll certainly miss you!

We understand that there are three very new Girl Scouts; Paige DeCosta, Anna Maria Gravilla, and Marianne Devitas and they flew up from Browale Troop #205 and Mrs Barabara Devita and Ruth Wood are the leaders!

The Nee Ellsworth Post of the Veterans of Foreign Wars is asking your help. George McGondel and his wife of Federal St were in a terrible automobile accident last month. George is still in the Mass General trying to recover from the amputation of his right leg and his wife was also badly injured about the..... legs and ankles. There is a fund-raising drive being conducted by the post with cans in the stores labelled the 'George McGondel Family Fund, which is not labelled under the auspices for the Post just the sign like that, but you'll know now what it is for...and also a mail campaign...Please mail your check to THE GEORGE MCGONDEL BENEFIT FUND and .... mail it directly to the VFW post 2458, Main Street, in Wilmington Mass. 01887. Mr and Mrs McGondel have six youngsters so things are kind of rough, because George is a plumber by trade... no workee, no monee! Please help

The Jack Mittauers on Salem Street have acquired a gray, black and white young kitten, in case you are looking for same, and will be glad to return it, before they have to adopt same!

We were chatting with Joanne Kritter on the way this town needed a community calendar pretty badly with three or four fund-raising suppers for kids going on the same time, for instance...AND SHE casually volunteered to be a clearing house for this same, so line up your material at least for the January and February months, and mail them to Joan with your organization name and date and place of activity, and your telephone number and she'll clear same and give you a call! This should be a tremendous help to all of us... Then, she'll call me once a week with the coming events...That won't prevent your usual notice, but it will prevent your overlapping... Pop Warner with the Girl Scouts... the Girl Scouts with the Crusaders...and the Crusaders with the MYF, etcetera, etcetera, etcetera! Let's get with it! Her address:

Mrs Eugene L. Kritter  
11 Pillings Road  
North Wilmington  
Mass 01887

Sick Bay...Wowee...The bugs are out this week! Mrs John Iwan is in the Winchester Hospital... Charile Ellis at the Lemuel Shattuck...Wilson Belbin in the Choate in Woburn, Frank Dodge in St John's in Lowell with 70 stitches in his head...George McGondel at the Mass General...Out with the cards there, Gals...Don't slip up now that it's Christmas and I've given you writers cramp from writing cards to all those kids overseas...Heard you were just great! Jim Miceli told me that his father received at least forty cards, and no one knew about it until it was in the NN column...so you aren't letting this chick down! My heartfelt thanks...You kids are the greatest!

While I think of it that United Parcel Kid that you are squinting at with the brown curly hair, and looking very familiar but you can't recall who he is...is Joe Deedan and he was reading your Water Meter for the Town not so long ago!

That Wilmington Christmas Pageant is being presented in front of the Methodist Church on Dec 21 and 22 and is under the direction of Liborio A. Salomone of St Dorothy's Church and Mrs Lurena Pembroke, and is a real community thing, with everybody taking part

and is being sponsored by the Wilmington Council of Churches, which was a good guess. The rehearsal will be in Fellowship Hall on Tuesday evenings, Dec 10 and 17 at 8:00. Everybody is invited to participate!

The Junior MYF group at the United Methodist Church will be entertaining the MYF group from Hallowell Maine over the weekend and on Saturday, Dec. 14th, the group will be going to Boston Youth time. The bus will leave the church parking lot at 5:30 pm and return between 10:00 and 10:30 pm. Mr Kuder will accompany them and can be reached at 657-7155 for further information.

Is that Omar Shariff that we saw working at North Wilmington Pharmacy this week with the new sideburns?

Joel Breen has one of the wonders of Wilmington in his back yard...It's a turtle with six legs one extra near the right foot and one near the tail, and he was caught with a net in the Rotary Park...With Joel on the adventure was Dave Landon of Clark Street and their turtling was on Thursday afternoon...Wonder if there are any brothers!

The Human Rights Youth had a Social on Saturday night at the Congo Church and there was a combo of Wilmington kids we hear Paul Cole on the Rhythm; Bob Cole the Lead; Bill Ahern on the Drums George Robertie, the Bass; and Timmy Kelley, the Lead Singer The Name? 'The Motionless Soul' We also heard that the Jack Mittaurs had all of them to the house afterwards for food and talk, and then the next day, the kids went and painted to make up for the time and space they had taken at the Mittaurs home...Glad to see this going on in Wilmington...We need more homes open like this to the young fry...Nice going, Mittaurs and Human Rights Youth!

At the Kiwanis Club this month, Dick Finlayson was welcomed as a new member. There was a Board meeting on Dec 15 and Trophy Night for Wilmington-Chelmsford Game was Dec 9. The Speech Clinic took care of 130 children at a cost of \$170.00 to the Club and plans are being made for a followup. There will be a Ladies Night on December 30th!

## Death

CLAYTON F. (Doc) LYON  
DECEASED

Clayton F. (Doc) Lyon, husband of Gertrude H. (Cox) of 8 Fowle Street in Woburn died at the Choate Hospital, Woburn, on Sunday, December 11th, after a brief illness.

Mr. Lyon, who was 59 years old at the time of his death was born in Lowell, Mass., the son of the late Frank H. and Lena (Porter) Lyon, and had lived most of his life in Wilmington before taking up residence in Woburn 27 years ago.

He was formerly employed by the Wilmington Coal and Oil Company and at the time of his death, was employed by the Ucnite Company of Newtonville, Mass.

Beside his wife, he is survived by his four children: Mrs Edward (Gertrude) Lyon of Wilmington, bury, SFC Clayton E Lyon of Alexandria, Virginia, and WO Donald F Lyon of Zebulon, North Carolina; also 13 grandchildren.

The funeral was held from the W. S. Cavanaugh & Son Funeral Home, 374 Main Street on Wednesday.

## WILMINGTON HOSPITAL BUILDING FUND

Memorial Contributions, in lieu of flowers, may be sent to Middlesex County Bank, % Joseph Matteo Main St Wilmington or Wilmington Center Pharmacy, % Mrs Lillian Woodside, Main St. Wilmington. All contributions will be acknowledged.

Frannie Gamlin, President of the Methodist Women's Society.... has asked me to thank you all for your participation in the fair... The made over \$1000 and of course this will be used in Christian Service...Thanks you all!

We forgot Mrs Leonard Bryant is at the New England Hospital... and we heard that Tony DeLuca is sort of limping around after a fall.

There'll be a meeting of all of those interested in a Foreign Exchange Program in Town after the first of the year - tentatively the second week in January...Will let you know more about it as soon as the details are solidified. This program is being organized by the instigation and investigation of Mr and Mrs Carl Vayo of the Boutwell Street area and will involve active participation in an Exchange Student Program. We know that Mr and Mrs Bob Stewart of the Reading Savings Bank have a young exchange student living with them presently, and going to Reading High School, so be marking off that date already...the first of the year, WOW!

There were two upsetting things about the Town called to this gals attention this week, by a very thoughtful citizen. In the Dec 4 copy of another paper, there was a statement about certain juvenile problems in No Wilmington, which we certainly hope isn't so, and if it is, why isn't something constructive being done about it? And the second thing is that there has been an outright statement made by one of our officials that there is 'No Drug Problem Here'. Any parent with a youngster in the High School can tell you that this is not so... There is more than one child involved with marijuana or 'pot' in this town presently, and the kids are not keeping it any secret except from the grownups, also, with education and investigation being conducted and sponsored in the surrounding communities of Bedford, Burlington, and Andover, and we believe Tewksbury, it would seem fairly naive to say that we are without such a concern. We, with four children of that age, and two or three more fast approaching, are very certain that we would like to see that drug program activated immediately, and also a clearing center set up, so that a child can get some assistance for himself or a buddy without becoming involved with the police

day, December 11th at 9:15 am followed by a High Mass of Requiem at St Thomas Church at 10 am celebrated by Rev. Father Francis Mackin. Burial followed in the family lot, Wildwood Cemetery.

Pall bearers for Mr Lyon were: Edward Tedesco, Grant Whiteway Carl Hansen, John Carpenter James Hession, and Americo Nicosta.

or major crime! This is a disease not a crime, and must be treated accordingly, no matter why or how the youngster got started! Let's think seriously about it, folks, before we do become too much involved so that it cannot be stopped! If you are a parent or a youngster and you know that there is a problem with yourself or somebody close to you, get in touch, and we'll figure out something!

There is also another concern It would seem that there is a very distinct odor in the Square at certain times, and we are certain that it is coming from one of the plants there...Before, I mentioned this, but didn't realize that there was a residue also...Now the neighbors tell me that there is...What is being done about this? We understand the authorities both of the Town and of the Plant have been called...Does someone have to contact the state? This happens before or after the usual commuters hours, so I had missed some of it, but will keep this nose and eye actively engaged from now on...Seems that we have been reading a lot about air pollution being a cause of cancer recently!

The last minute news says that Elaine Burbee was a winner on WRKO Christmas Wish. We understand that her wish was that WRKO send to Steve Hunt in Vietnam some Koolaid. (Seems that Elaine has been corresponding with Steve and sends him a package of Koolaid with each letter because the water is so lousy) Anyway, the long and short of it is that WRKO will now send Steve's company a case of Koolaid each and every month until June! That's great, Elaine and may God Bless You for being so unselfish with your wishes, and those guys over there...they better be just coming forth with the thankys for a chick like you!

And this is contest winning week in Willie. Rena Dececca won the top cookie contest at the 4 H Club in Wakefield, where she also rode her horse in the parade that welcomed Santa Claus

Mike is now among the Editors Mike Landers, the son of Mr and Mrs David Landers of 88 Clark St has been named Editor of the Crusader's Corps newspaper 'Off the Line' Mike is a tenor drummer in the Crusaders and also is a sophomore at WHS where he is on the student council!

**OUTSTANDING LINEMAN AND OUTSTANDING BACK:** Capt. Ed Gillis, of the 1968 Wilmington Football Team (left) was awarded the annual Rotary Outstanding Lineman trophy, yesterday, at the Rotary luncheon, and Mike Esposito (right) was given the trophy for being the Outstanding Back of the 1968 team. The presentation was made by Bryant Bedell, center, Vice President of Wilmington Rotary. Ed Gillis is the third member of his family to receive the Outstanding Lineman award, from Wilmington Rotary. His brother Jimmy received it in 1962, and his brother Jack received it last year.

How long is the umbilical cord?

This cord, which connects an unborn baby with its mother, can vary from seven to forty - eight inches, but is usually about twenty - two inches in length.

Serious complications may occur if it is too long, or too short.

The reason it is so long is apparently that in primitive times it allowed the mother to pick up her newborn baby and carry him away from danger without internally harming herself.

It is interesting to note certain physical facts. Be sure to fill all prescriptions at the Silver Lake Pharmacy 52 Main Street.

# Next Christmas could be great

Maybe this year you wanted to do very special things for very special people. But you don't have much spare cash.

So Momma gets perfume instead of the dress coat she "just has to have". And Tommy, who'd begged Santa for a bike, settles for a football and some toy soldiers. You buy your brother Joe a \$5 pipe instead of the imported briar he's always wanted, but wouldn't buy for himself.

Why not do it right? Make next Christmas special. Open a Middlesex Bank Christmas Club, and deposit the amount you decide on regularly.

You'll make a lot of people very happy, come next Christmas.

## Goaded His Audience

Dana Chandler, who was presented by the Wilmington Human Rights Committee to an audience of about fifty persons, in the Barrows Auditorium of the High School Monday night, goaded his audience on their ignorance, actual or seeming, of black history, and their lack of knowledge of current events, as he saw current events.

About half his audience were High School children, and of the adults about half were school teachers.

Chandler, who was billed as a famous artist and philosopher, told his audience that he was going to shock them, and then proceeded to do so, using more than an occasional copulative or scatological term.

He was presented by John Reid of Lang Street. Mr Reid had some of his family present, but the greater part of the black residents of Wilmington were not.

Chandler had about twenty paintings to exhibit, to express his philosophy. Most of them were in clashing color, and almost bitter in tone. They expressed his ideas of Black Power, White Power, the Evils of Slavery, the Death of Uncle Tom, Man Pulling off his Mask, and Moses (black, with a Hebraic beard) Bringing the Word to His People. One painting, he said, depicted the President of the United States, President Johnson, who Chandler said had brought this country close to Nazism. The White People, according to Chandler, used the Atomic Bomb on the Japanese people because they were of the yellow race, but would not use the bomb on the Germans, who were white.

Another painting was of a White Woman Exercising Her Charms on a Black Man, which was followed by another depicting the lynching of a Black Man, with the same white woman being depicted in both. Most of the White Women were hard faced, and generally, except for the lynching picture, the corners of their lips were turned down in hard lines. Frequently there were sexual connotations in the paintings, and Chandler explained that the Black Man was being killed - a Physical, or a Mystical death.

To many Black Men, Chandler said, the White Man is a Destroyer. If all the white men were destroyed tomorrow, they would never be missed, for they are the greatest killers the world has ever known.

Art, according to Chandler, came from the Black Man. The ancient Greeks got their art from the Egyptians - Black Egypt. The paintings of recent artists whom he named were really Black Art, from the cubist forms of African art.

To Chandler the police, too, were a minority. 'If you paid them properly, maybe they would have some self respect'.

Chandler was openly derisive, more than once, to his audience. 'You can talk to me sometimes - you cannot talk to some of the cats at all!'

He goaded his audience when no one volunteered to tell him of the

Nigerian empires, or was prepared to identify Frederick Douglass, or Drew, the black man who discovered plasma, and according to Chandler later died after an automobile accident because he couldn't get blood.

'Did you know that a young black man was shot to death, and then run over by an automobile, less than a month ago, in Chicago?'

'Did you know that a black man was killed in Oakland - shot his head right off? God Bless America, and the White Man too!'

200 million people, he said, have lived in slavery in America. American troops are in South America, right now, extending slavery.

'How are you people going to work on a Civil Rights Committee, if you don't know about the Black Man?'

'You aren't doing us no favor - we need Money, Land, Power. The best asset you people have is your kids - doing something about the Grape Question. You stole from us - you cannot give it back. Do I leave you uncomfortable?? Good!!'

'But when you are really committed to making a change - don't do it by social works, and psychiatrists!'

Chandler said that Bill Russell (black basketball star) was arrested in Wilmington when he came here to buy an automobile - with cash in his pocket. People, he said, did not believe that he had any money.

He was not, he said 'talking violence'. He was talking 'constructive black power', he was talking 'constructive militancy'.

When a youth objected to his obscenities, he replied that they were not really obscenities. 'If you stand on my foot, I might hit you to get you off!'

A Wilmington woman, a member of the Human Rights Committee, asked him if it were not the ancestors of the black people who sold the black people into slavery?

It was not necessarily so, Chandler said. 'I can't stand here and apologize for what they did - Go do something about the current situation!'

When Paul Bodenstein, in a long sentence, asked 'What is the End?' Chandler said that his end was three things - to get rid of the White Power Structure - to stop the support of White Power, and to lift the ignorance of the people.

He advocated the teaching not only of Black History, but of Arabic History, and of Chinese History.

To Bodenstein he said 'You have something to lose - the structure made by your people!'

'Based on good common sense, I do not want to be white'.

He continued to goad his audience. Referring to the black families of Wilmington he challenged his audience to tell him how many there were.

'The whole Black World is waking up! 750 million Chinese are learning to read and write!'

Three of his smaller paintings, more mystical than the rest, were there, he said, to epitomize the Arabic and Chinese cultures.

## High School Sports

### Hockey

The Wildcat Hockey Team will make its seasonal debut Saturday afternoon at the Billerica Forum in the Merrimack Valley Hockey League Jamboree at 1:00 pm. Our boys will skate one period each against Tewksbury and Billerica. Coach Palm has five returning lettermen in Captain elect Jack Irwin a center iceman, senior goalie Bill Montuori, Defensemen Buddy Chamberlin, Sophomore Mike Esposito, and right wing, Dave O'Connell.

With sixteen underclassmen on the squad, Coach Palm doesn't promise many victories, but does assure us of a hustling club, which should make up for lack of game experience. The league will open its championship season on Wednesday December 18, with a triple header at the Forum. The Wildcats will play each of the other 6 clubs (Tewksbury, Burlington, Billerica, Andover, Chelmsford, and Masconomet) three times during the year. Our first game is on Saturday, Dec 21, against Tewksbury face-off at 3:00 pm.

Saturday's starting lineup:  
G Montuori, RD - Chamberlain LD - Esposito, LW - Jim Irwin, C - Jack Irwin, RW - Ray York. The 2nd unit may include Dana Tighe - Goal, Defense pairing of Steve Neal & Dave Irwin, the forward line of C - Peter Tighe and Wings Dave O'Connell and Bob Stewart.

### Basketball

Congratulations to the newly selected 68-69 Basketball Cheerleaders: Seniors, Bonnie Bishop and Kathi Bicknell; Juniors, Leslie Sarchione, Carolyn Cosman, Janet O'Brien and Robin Rees; Sophomores, Kathy Leary, Lee Hubby, and Gloria Smith; Freshmen Donna O'Brien, Marylee Cavanaugh and Anne Novak.

These young ladies will make up two units of six members each, and will cheer for both the boys and girls basketball teams in the coming season. They are coached by Miss Louise Bocchino and by Bonnie Bishop, the captain.

The boys varsity team will play the Redmen of Tewksbury in the Conference Jamboree tomorrow night at 7:00 pm at Dracut High. The starting lineup for the Wildcats will have Capt Ed Thomas and newcomer Vin Spano at the forward spots, Allen Williams at center, and a backcourt tandem of Dan Ballou and Jim Tildsley. The reserves include: Seniors Milt Cram and Garby Hebsch; Junior forward Allen Helm, and Sophomores Dick Gillis, Dennis Murphy, Bill Gustus, and Bill Jensen. With the exception of Spano and Murphy, all of this years varsity squad are products of the Town League Basketball Program.

On Monday evening, December 30, a new twist has been added to the annual Alumni-Varsity Basketball affair. The evening program will begin at 6:30 pm with junior division teams of the Town League playing their own special brand of ball. At 7:00 pm the Girls varsity will play the Alumni and Women Faculty Teams. This should be worth watching. At 8:15 pm, our boys varsity will tap-off against the more recent Alumni (66,67,68 grads). This team will be captained by 68 Captain and present Freshmen at BU, Bill Walls)

for one period. The second period will find the Mens Faculty playing the varsity. During the second half, the Old Alumni (65 and back) will play the faculty and the evenings finale will pit the Old and most recent alumni teams
